Standard & Additional Features

Standard Features

Call Waiting

If someone else is trying to call you when you are already on the phone, use call waiting to put your current call on hold and answer the incoming call.

Call Forward

Transfer calls from your home phone to a number of your choice with Call Forward.

Call Return

Call Return will give you the number of your last unanswered call.

Call Back

If you are trying to call a number and it is engaged, use Call Back. You'll get a call the moment the number you are trying to call is free.

3-Way Chat

Use 3-Way Chat if you want to talk with two people on the one call.

Voted Australia's #1 in Customer Satisfaction for seven years running

**Australian Broadband Survey
2003 - 2009**

Voted Best Broadband ISP

**PC Authority Best Tech Awards
2007, 2008 & 2009**

Additional Features

Calling Number Display

Use this function if you want your phone to display the number calling you (excludes unlisted numbers and certain international calls). Please note, you will need a CND compatible phone or a Calling Number Display Unit to use the Calling Number Display function.

\$6
Monthly

Voicemail

Set up voicemail and have your own personalised answering service to answer the calls that you can't.

\$6
Monthly

Silent Number

If you do not wish for your number to be displayed when calling other numbers make your phone number a silent number. It will also not be listed in phone directories.

\$2.95
Monthly

Call Forward Selected Callers

You can select which calls are forwarded to your mobile, pager, answering service or other phone numbers from your home phone.¹

\$2.20
Monthly

Call Forward Set the Time

You can also forward calls from your home phone to your mobile, pager, answering service or other phone numbers during specific times.²

\$3.30
Monthly

Call Control

Call Control allows you to restrict certain types of calls made from your home or business phone. You can choose to bar outgoing STD, international, 1900 or local calls.³

\$3.30
Monthly

Abbreviated Dialling

If you have numbers you call frequently, you can use Abbreviated Dialling to store and dial numbers using a one or 2 digit number.

\$3.30
Monthly

Delayed Hotline

Delayed Hotline allows you to call a specific number, without dialling, by just simply picking up the phone.

\$3.30
Monthly

Smart Ring

Identify who is calling you by the sound of your phone's ringtone.² There are three different ringtones to choose from that let you know if the caller is a family member, friend or work related.

\$4.40
Monthly

Multiple Number

Multiple Number can give you an additional phone number for your existing phone line. You can also choose to activate separate billing for your second phone number.

\$6
Monthly

Dual Phone and Fax Line

Add another number to your existing phone line for faxes without having to install a second line.

\$6
Monthly

Terms & Conditions

- 1 Calls can be forwarded to most numbers in Australia.
- 2 To use this function you must have a tone phone with distinctive ring capability.
- 3 Reverse Charge calls can still be accepted regardless of the level of barring.
- 4 While there are no monthly subscription fees for Standard Features, phone usage charges may apply.
