128	126	\$300	\$349	
256	254	\$350	\$499	

# Request for Additional IPs

## Declaration

I/We understand:

As a member of APNIC, the governing body of IP address space in the Asia-Pacific region, Westnet is required to pass on your application details to APNIC to progress with the application and allocate address space. This information will be added to an internal database which cannot be viewed by the public. NO INFORMATION will ever be passed to another company by APNIC as per their privacy agreement. By submitting this form you are giving permission to Westnet to submit your details on the database. This is a requirement of Westnet's IP address allocation. The setup fee is non-refundable. A setup fee applies when a new Subnet is established. A valid email address must be supplied and clearly legible. All details regarding your Subnet will be emailed to you. Please contact your technician for setup assistance as Westnet does not provide support for Subnets. The declaration must be signed by the account holder.
