**First month minimum charge calculated as:** \$(monthly charge in 1st month)

**Payments:** These Westnet mobile services are prepaid. You must pay the monthly recurring charges in advance. In addition, you have the option to make additional prepayment for usage that is not within the included value for your plan ("Additional Prepayment") up to the amount of the Additional Prepayment or the balance of it from time to time. You may make Additional Prepayment at the time of commencement of your service or at any time or times afterwards via the My Account section of the Westnet website. If you choose to make Additional Prepayment, the amount will be debited from your nominated bank account or credit card. We will send you messages about your usage during the month. If your service is cancelled any unused balance of the Additional Prepayment will not be refunded to you but will be retained by Westnet. You agree that no bill will be provided for this service and that direct debiting of your account or charge to your credit card may occur notwithstanding that no bill is provided and that it may occur even though you may not have had the opportunity to check charges at least 10 working days before the debit.

**Coverage:** Customers who purchase an Westnet mobile plan can only obtain 4G speeds when they use a 4G-ready phone (LTE 1800/850 MHz) in 4G coverage areas as per the detailed map listed at <https://www.westnet.net.au/mobile-coverage>. When customers are not within a 4G coverage area or their mobile handset is not 4G compatible, the mobile service will automatically switch over to 3G and speeds will be much less than that of 4G.

**Excluded Usage:** These plans exclude Excess Data, Calls to International Numbers, (or after the first 100 minutes per month for the 30GB with Talk & Text plan), SMS and MMS to International numbers, Calls to Satellite phones, Third party content, Video Calls to Standard Australian and International numbers, International Roaming, Directory Assistance and other Enhanced Services. Calls and SMS to 19 Numbers, Diversion to International numbers and Premium SMS/MMS are not supported.

**Unlimited Usage:** Unlimited Calls to Voicemail apply to all mobile plans. Unlimited Calls to Westnet Support (13 19 60) apply to all mobile plans. Unlimited Talk & Text includes Calls, SMS & MMS to Standard AU Numbers (includes 13/1300). Any Unlimited Usage provided is only for use in Australia.

**Included Data:** These mobile plans have a specific amount of Included Data each month. Data usage (including for social networking) is not unlimited and will be taken out of your Included Data.

**Excess Data:** Excess Data rate is \$10 per extra 2GB (charged per 2GB, rounded up to the nearest GB) applies once Included Data is exceeded. We will charge excess data out of your prepaid balance. If there are insufficient funds in your prepaid balance, your Mobile Data will become inactive until your prepaid balance is topped up to a sufficient level.
